

Reclaim Project Fall Golf Classic 2023

Friday, September 22nd – 9:30am Shotgun – Scramble Format

Deer Park Golf Club

Reclaim Project Recovery is a non-profit men's transformational platform serving greater Spokane. We receive men directly out of the Department of Corrections, drug rehabilitation and homelessness and provide a sober living environment, work opportunities through our licensed and bonded construction company, discipleship, accountability, and a path back to a productive life. As of today, we currently operate 30 sober houses within Spokane and have 140 men in our program, which is growing rapidly. We recently received funding to expand into Spokane Valley!!
